A Message from the Principal...

Dear Parents/Carers

Moranbah East State School welcomes you to our school community. Our staff love working with our students and the school community. Together we strive to provide the best education possible for your child and maximise each child's learning journey.

We embrace our vision which is 'every day, every student succeeding', and 'achieve with pride' is our motto. We engage our learning with pride through our values:

P – Persistence
R – Respect
I – Integrity
D – Diversity
E – Excellence

As Principal, with my great staff, my focusses are on:

- High effort, neuro-science backed, and quiet learning in the classroom unless there is a reason to be louder for a specific activity.
- Fun, safe play at lunchtimes.
- A culture that promotes learning and a feeling of being part of our school community

Thanks for taking the time to browse our school website and do not hesitate to contact our school for more information.

Kind Regards

A handwritten signature in black ink, appearing to read 'Pete Stansfield', followed by three dots.

Mr Pete Stansfield
Principal

ABSENCES

To comply with Education Regulations, parents/guardians are expected to provide an explanation if a child is absent or has to leave school early. Please contact the office via telephone, QParents or email office@moranbaheastss.eq.edu.au stating the reason. This will eliminate any misunderstanding and ensure the safety of your child. It is vital to your child's education that attendance be as regular as possible.

If the school office has not been notified of an absence, a text message will be sent to the primary carer, please reply to this text message with a reason for the absence. If no response is received a further 1-2 text messages will be sent. In the event that the school office has no response from the text messages, the school office staff will attempt to contact the parent/guardian via phone. In the event of an unexplained absence, letters will be sent out weekly to obtain an explanation for the absence.

Parents are required by law to send their child to school every day except when the child is ill or there are extenuating family circumstances, which should be discussed with the child's teacher or the school administration. After 10 school days of unexplained absences parents or care givers will be contacted to discuss the matter.

ACCESS TO SCHOOL GROUNDS

Please note that the school grounds are NOT public property and visitors after school hours NOT PERMITTED. Please do not access the school grounds without permission.

Dogs are not permitted on the school grounds due to Health and Safety issues.

There is to be no smoking/vaping on school premises.

To ensure the safety of our students, vehicle access is for emergency services, deliveries and staff parking only.

ACCESS TO STUDENTS

In the course of the school day, the school does not permit any person who is not known to be the parent/guardian/emergency contacts of a child to remove a child from the school.

If you wish your child to be collected from school during school hours by someone other than yourself, the office must be contacted and written permission needs to be given to the school office staff prior to collection.

ALL students departing the school early must be signed out from the school office. Please note, photo identification must be provided.

The parent or care giver enrolling the student MUST inform the school of any residency changes or arrangements due to family breakdown. The school MUST be provided with a copy of court documents to verify such arrangements.

ACCIDENTS & ILLNESS

The school reserves the right to seek immediate medical aid for a child if this is considered necessary.

Should your child sustain a minor injury at school, staff will administer appropriate first aid.

However, should the injury or illness be of a more serious nature, we will endeavour to contact the parents/emergency contacts. It is important to note: if in the event no contact can be made, the Ambulance will be called.

Emergency contact names and phone numbers must be kept up-to-date.

Always inform the school office staff of any address or phone number changes.

ALLERGY AWARENESS INFORMATION

What is Anyphylaxis

An anaphylactic reaction is a very severe and sometimes life-threatening reaction that occurs when some people are exposed to particular products e.g. peanuts, tree nuts, dairy, eggs, fish and seafood to name a few.

How is Anaphylaxis Treated

All children who have risk of an anaphylactic reaction have an Emergency Action Plan from their Doctor that we also use at school to ensure the most effective treatment is provided. This will involve giving antihistamine, and in severe cases administering an adrenaline injection and calling an ambulance.

Why does Moranbah East State School need to be an allergy aware environment?

We currently have children who have life threatening allergies to nuts – both peanuts and tree nuts like cashews, walnuts, hazelnuts and brazil nuts, dairy, eggs and seafood. These reactions can be triggered by contact, ingestion or inhalation. There is also a concern in regard to contamination of equipment whether this is play equipment, desks or other classroom materials. For example, if a child ate a peanut butter or Nutella sandwich and touched the play equipment, a child with a severe allergy, could suffer an anaphylactic reaction from touching the same equipment. The resulting medical emergency could be avoided by minimising exposure to nuts.

Two of the hardest things for parents of a child at risk of anaphylaxis to do are:

- Send their child to school and try to allow them to have as normal childhood as possible;
- Get other people to understand how serious this allergic reaction can be. Often other people believe that parents are over-reacting.

As a school we:

- Remind students not to share food
- Encourage students to wash their hands after eating
- Ensure all staff are regularly trained in the administration of adrenaline via auto injectors
- Make sure all staff are aware of the students who are at risk of Anaphylaxis and how to identify a severe allergic reaction
- Work with parents to safely include celebrations and parties in our school.

As parents we ask that you:

- Assist us to minimise risk of exposure of these children by not sending foods to school that contain nuts;
- Remind your children not to share food;
- Check with your child's teacher before bringing food items in for class parties and celebrations to make sure we can keep everyone safe.

What products are identified as presenting a high risk for students with a severe allergy to nuts?

Food: Nutella, peanut butter/paste, nuts and any snacks including nuts

Products: Any boxes that have previously contained nut products: e.g. cereal boxes, muesli bars etc.

Please read labels carefully to help keep all of our children safe. Please look for “lunchbox safe” or “nut free”

Moranbah East State School acknowledges that due to food processing practices it is impractical to eliminate nuts or nut products entirely from an environment where there is food. Many food packaging labels include the phrase ‘may contain traces of nuts’. Foods with packaging labels that contain the phrase ‘may contain traces of nuts’ are acceptable. Thus our aim is to be Allergy “Aware” School, not a Nut “Free” school.

The aim of this information is to raise awareness regarding severe allergies and to provide a safe learning environment for all members of the Moranbah East State School community.

For more information log onto www.allergy.org.au.

APPOINTMENTS

Parents wishing to have an interview with a member of the Administration Team should contact the Office for an appointment. We request that parents wishing to speak to a teacher, email or phone to arrange a suitable time. Before school is a valuable preparation time so it would be appreciated if any contact at this time was kept to a minimum.

ARRIVAL/DEPARTURE AT SCHOOL

There is no supervision before school, so no child should arrive at school prior to 8:00am. Exceptions are made for those students participating in extra curricular activities. It is the parents’ responsibility to supervise their student/s prior to bell time at 8:20am.

At the end of the school day children should leave the school grounds promptly. Supervision is provided at each gate. If a child is not collected by

3.00pm they will be escorted to the office and parents contacted. **Students are not permitted on school grounds after 3:00pm.**

BEHAVIOUR MANAGEMENT

Moranbah East State School is committed to providing a safe, respectful and disciplined learning environment for all students, staff, parents and visitors.

The Moranbah East State School Student Code of Conduct sets out the responsibilities and processes we use in our school to promote a productive and effective whole school approach to discipline.

Its purpose is to facilitate high standards of behaviour from all in the school community, ensuring learning and teaching in our school is prioritised, where all students are able to experience success and staff enjoy a safe workplace.

A copy of the complete Student Code of Conduct is available on the school website. <https://moranbaeastss.eq.edu.au/>

CAMPS and EXCURSIONS

Camps and excursions are designed to:

- Enhance classroom programs
- Develop independence, initiative and groups skills such as co-operation, courtesy and respect

- Develop camping and outdoor skills.

School camps and excursions provide an opportunity for students to gain real life experiences that assist them to consolidate their learning. The venue for school camp is determined by the learning program and may vary from year to year.

The following year levels participate in the school camp program –Years 4, 5 & 6 and where appropriate all year levels participate in school excursions.

N.B Please be advised camp deposits are non refundable unless special circumstances apply. Please contact the school office for more information.

CAPTAINS/LEADERSHIP ROLES

The process of selecting School Leaders begins with the Leadership Program commencing in Year 5. Current positions are School Captains, House Captains, Cultural Captains and Student Council Representatives.

CHANGE OF ADDRESS

Parents are to advise the School Office promptly of any changes in address, email address, telephone numbers, emergency contacts, business address or any other relevant information deemed necessary.

CROSSING SUPERVISORS

Supervisors are on duty at Hannan Drive, Clements, McCool and Williams Streets from 7:45am to 8:45am and 2:35pm to 3:05pm.

Crossing Supervisors are provided for the safety of all students/staff and should be utilised when entering and exiting the school grounds.

CONCERNS/COMPLAINTS

Why do concerns arise? Schools are very busy places, there are lots of things that happen and there are many decisions made every day. At the same time, our community is quite diverse, with many individuals or groups having vastly different opinions on how things should be done. It is inevitable, therefore, that

times will arise when some parents disagree with the school's actions. We welcome such discussions, and encourage parents to raise issues so that they may be dealt with speedily and resolved to the satisfaction of all concerned. Complaints, after all, are not a negative experience – so long as they are dealt with positively by everybody.

HOW DO I MAKE A COMPLAINT/VOICE MY CONCERN?

- Parents are encouraged to discuss any concerns about their child's education with the class teacher in the first instance. This can be done via letter, email, telephone or in person at an appropriate time.
- The school will investigate to try and find out the facts surrounding the concern.
- The most appropriate person will contact you to discuss the matter, or to organise a meeting. Many concerns are quickly resolved once the parent is aware of all the facts.
- If, however, the matter remains unresolved, make a formal appointment to discuss the issue with the Deputy Principal or other senior member of staff.
- Any parent wishing to make a formal complaint regarding school staff, policy, practice or procedure should do so in writing to the Principal or the P&C president.
- Regional Office can be contacted to help solve problems. The Principal can provide contact details.

THINGS TO KEEP IN MIND

- Opinions vary widely – disagreement is a natural part of life.
- People need time to investigate and resolve many problems; a quick fix is not always possible or desirable.
- There are always at least two sides to every story – with students there are often as many stories as there are children.
- Not all disagreements can be resolved. Some decisions will not suit everyone.
- Problems are best resolved using a positive attitude. Anger is usually counter-productive to solving problems.

CURRICULUM

The areas of the Australian Curriculum covered are - English, Mathematics, Science, History and Social Sciences (HASS), Technology, The Arts

(including Music), Health and Physical Education (H.P.E.) (H.P.E includes Human Relationships Education component)

CLASSROOM MUSIC

Classroom Music, a key learning area, is taught to all classes in Years P-6.

By the end of Year 6, it is hoped that each child through the Arts program will acquire:

1. Competency in a variety of musical activities.
 2. Skills necessary for singing, playing and inventing music.
 3. Being an informed listener and reading and writing music.
 4. A repertoire of various styles and settings of music.
 5. The capacity to enjoy and be interested in a variety of music.
-

INSTRUMENTAL MUSIC

Tuition by our Instrumental Instructor is provided weekly for students in years 4–6 who are enrolled in the Instrumental Music Program. Parents of these students are encouraged to purchase the required instrument for their child as there are limited instruments available for rental from the school.

There is an expectation that students included in the program are willing to commit to undertake tuition each week, for at least twelve months, and attend weekly rehearsals before/after school.

The Concert Band gives a variety of performances throughout the year for school and community events.

ICT (INFORMATION & COMMUNICATION TECHNOLOGY)

Our children's computer literacy is being developed through word processing, databases and other interactive programs. The computer, a technological resource, is used to support the teaching/learning process in Years P-6.

A computer lab in the Resource Centre is used by the teachers to conduct weekly lessons and classes have access to iPads and laptops in their classroom. Classrooms have interactive whiteboards.

All classrooms in Prep – Year 6 have access to the Internet. For students to be able to access the Internet at school, consent forms must be signed by both parents and students.

PHYSICAL EDUCATION (P.E.)

The Physical Education specialist teacher provides weekly physical education lessons, which are part of the school's curriculum. All students are encouraged to participate regularly in team activities.

This school is a member of the Central Highlands District Primary Schools Sports Association and as such is involved in a program of inter-school sport throughout the year. Owing to the distance separating schools, Denham Sub-district selection trials occur after school hours and those athletes then travel to Central Highlands trials during the school day. Competition is usually restricted to whole day carnivals held throughout the year in different centres within the district. The range of sports include: Athletics, Swimming, Softball, Soccer, Netball, Cricket, Rugby League, Hockey, Touch Football, Basketball and Aussie Rules.

Following these carnivals, teams are selected to compete in the State Capricornia Sport Carnival also held during the school day.

ADDITIONAL SUPPORT SERVICES

STUDENT SUPPORT TEAM

The Student Support Team provide support to students across the school and provide coaching and assistance to classroom teachers. This team is also supported by a dedicated team of teacher aides.

STUDENT SUPPORT COMMITTEE

Classrooms teachers who have a concern that a student requires support, complete a referral form after consultation with the Student Support Team and parents. This is then sent to the Student Support Committee for discussion. This committee meets fortnightly and is comprised of SST teachers, HOD, Curriculum, HOSES, Principal/DP and Guidance Officer. Together they decide what action should be taken to support the student.

GUIDANCE OFFICER

The Guidance Officer services three schools within the district and is based at Moranbah East State School two days per week. Guidance officers are a student support service working collaboratively with students, teachers, families and community agencies.

Guidance officers conduct activities such as student observation and psychoeducational assessment in order to determine the nature of student learning difficulties, disabilities, developmental levels or psychological and emotional status in order to make recommendations. We also provide a counselling and referral service to assist in decision making within an educational context.

Referrals are completed by school staff and then prioritised by the school's Student Support Committee.

Signed parent permission is required for primary school students.

DRESS CODE

All students are expected to be in full school uniform every school day. Uniforms are available for purchase from the School Tuckshop - Uniform Shop located on the school premises.

You can attend the Tuckshop in person or order online via the Munch Monitor System – visit <https://www.munchmonitor.com/> Username: moranbaeast Password: munch4744

Uniform shop hours - Monday & Wednesday 8:15am to 9:15am

We are a Sun Smart school and enforce the rule No Hat, No Play. Students are to wear a navy blue broad brimmed, bucket or surf hat with a brim of no less than 8cm. **No caps allowed**, as they do not comply with the Sun Smart policy.

Footwear is closed-in joggers or black school shoes with navy or white socks. (No sandals or thongs)

If for any reason a student is unable to be in uniform they are expected to bring a note from a parent or caregiver. In the event the student is persistently out of uniform parents will be contacted to discuss the situation.

The only acceptable jewellery to be worn is an a standard time watch (*not smart watches*), signet ring, medical alert bracelet, religious medallion and no more than 2 pairs of studs or sleepers. Jewellery other than the items listed above pose a safety risk to students.

Hair colour should be that which would be seen as within the natural range of colours. No bold nail polish colours.

House Sport shirts in house colour (available from the school uniform shop) can be worn on PE days and students are encouraged to come dressed in their house colours for sport carnivals.

Year 6 Senior shirts can be worn any weekday for the duration of their senior year.

Special events shirts can only be worn on Fridays.

On 'Free Dress Days' the clothing worn must be appropriate for the age group. Clothing should have sleeves and not expose the student's midriff. Shoes should not have elevated heels or rollers and be closed in. There should be no inappropriate writing or slogans on the clothing.

If the provision of a uniform for a student is due to financial or family circumstances, parents should discuss this with the principal so assistance can be provided.

EMERGENCY PROCEDURES

Drills are carried out once per term to familiarise staff and students with procedures to be followed for evacuation or lock down of the school premises.

The school has a Critical Incident Plan as required by Education Queensland.

ENROLMENTS

Parents wishing to enrol their children in Prep to Year 6 may obtain an enrolment package from the Office or the school website.

<https://moranbaeastss.eq.edu.au/>

On enrolment, students & parents will be required to complete an application for enrolment, enrolment agreement and permissions booklet, prior to booking an interview appointment with the Principal or Deputy Principal.

ENTRY OF CARS TO SCHOOL GROUNDS/ PARKING

In the interest of the safety of your children, entry into the school grounds for the setting down and picking up of passengers is *strictly forbidden* unless the Principal gives special permission. There are designated pick-up and drop off zones. ***It would be appreciated if you used them.***

Parents are requested to obey traffic signs in the streets surrounding the school to ensure that all entrances and crossing approaches are left completely free of cars.

HEAD LICE

If a case of Head Lice is reported in your child's class you will be advised. Students suspected of having live head lice or eggs present in their hair are provided with a letter requesting immediate treatment be commenced. Checks should be conducted regularly at home for all children and if head lice are present treatment **MUST** occur before the student can return to school.

HOMEWORK

Students in Years Prep - 6 participate in homework activities that consolidate learning taught in class. We encourage students to participate in daily reading practise. Assigned homework should not take longer than 30 minutes. All students are encouraged to participate in daily reading at home.

SPORTS HOUSE SYSTEM

At this school, a Sports House System is in place and this provides a basis for competition in both swimming and athletics.

The Houses and their colours are:

Griffin:	Blue
Cyclops:	Green
Unicorn:	Red
Phoenix:	Yellow

Children from one family are allocated to the same house.

INFECTIOUS DISEASES

Below is a list of the minimum recommended exclusion times for some of the more common infectious diseases. Consult your doctor if you require further information about these diseases or others.

Chicken Pox

Exclude until fully recovered or at least five days after the eruption first appeared. (*Some remaining scabs are not a reason for continued exclusion*)

School Sores / Ringworm

Exclude until day after proper treatment started.

Conjunctivitis

Exclude until discharge from eyes has stopped.

Measles

Exclude for at least 4 days after the rash has started.

Queensland Health 'Time Out' Poster link for infectious diseases

https://www.health.qld.gov.au/_data/assets/pdf_file/0022/426820/time_out_poster.pdf

LIBRARY

As well as being an area for leisure and the enjoyment of literature, the library is an information centre vital to the learning programs of the school. Books are the main, but not the only, resource available.

Children are encouraged to borrow regularly for their own recreational reading or research. Books may be kept for one week.

All children from P-6 must use a library bag to protect the library book during travel to and from school. Parents and children are requested not to attempt any repairs of damaged resources but instead, to report damage to library staff as soon as possible.

If a library book is lost/misplaced or damaged, parents are required to cover the cost of replacement. An invoice will be sent to parents.

INVOICES/PAYMENTS

It is our aim to become a cashless school and to enable this to happen our preferred method of payment is BPoint, you will need a copy of the invoice and follow the below instructions.

Occasionally cash will be required for special events conducted at school through our various committees including chaplaincy, student council and P&C fundraising activities. **Please send the exact money** in an envelope marked with your child's name, class and the activity written on the front. There is no float and no change available at the office.

LUNCHES

It is essential that children bring a nourishing lunch daily. Parents are urged to instruct children to take home unwanted food. As well as reducing waste, this procedure also helps keep you informed as to what your child is actually eating each day. Fridges are provided in each classroom.

*Due to allergies, parents are encouraged refrain from sending nuts and nut products to school. For further information please visit - <https://www.allergy.org.au/>

MEDICATION

Department of Education Regulations require that before medication is administered a parent/guardian must complete a *Consent to administer medication* form. All medication (even over the counter) **must** have a current prescription label clearly stating the name of the prescribing doctor, the name of the child, the dosage and times that the medication is to be given. If the label does not have the name of the prescribing doctor, the doctor will be required to complete a *Medication order to administer 'as needed' medication at school* form. These regulations apply to **all** medication including Panadol, Asthma Puffers, Creams and Lotions.

All forms available from the school office.

The regulations as stated also apply to *excursions and camps*. Medication, which is administered to students at school, is kept in the office.

MOBILE PHONES AND PERSONAL ELECTRONIC DEVICES

Moranbah East State School students are not permitted to have mobile phones, smart watches, iPods, iPads or other electronic devices in their own possession at school (unless required for a health plan e.g. diabetic). If a student requires a device to make contact with their parent/carer for before/after travel to school safety it must be handed in to the office for safe keeping throughout the day on arrival to school and collected after 2:40pm.

Any communication during the day from the parent to their child is to be through the main administration office number. Please see the *Student Code of Conduct / Mobile Phone and Electronic Devices* policy on the website for full details. <https://moranbaheastss.eq.edu.au/>

The following policy documents are available:-

- Mobile Phones and Personal Electronic Devices
- Smoking and Electronic Cigarettes on School Grounds
- Acceptable Use Agreement – BYOD (Bring your own device)

This policy aligns with the Queensland Government Term 1, 2024 directive that mobile phones and certain wearable electronic devices like smart watches etc must be 'away for the day'.

MONEY AT SCHOOL

Children will bring money to school for such things as Tuckshop and fundraising activities. No money is to be left in school bags or on a child's desk. Please note any money brought to school by a student is the responsibility of that student.

NEWSLETTERS

School Newsletters are emailed at the beginning and end of term and from time to time you will receive email newsflashes with important/relevant information. Other parent contact is via the class teacher updates and on the school Facebook page at <https://www.facebook.com/MoranbahEastSS/>

PARENTAL PERMISSION

Parental permission is mandatory for any school related activity which requires the student to leave the school grounds, as well as extracurricular activities conducted within the school grounds, or special programs provided by an external agency.

In the event a child does not have written permission, the school may seek verbal permission by phone.

Our school uses QParents for consent and other information. Please contact the office regarding information and details for signing up to QParents.

P&C ASSOCIATION

Moranbah East P&C Association encourage parents to attend meetings, volunteer, join in activities and bring new ideas. The P&C run many events

throughout the year, which help to raise valuable funds for our school. Meeting dates and times are advertised on the P&C Facebook page.
<https://www.facebook.com/moranbaeaststateschoolpandc>

PHOTOGRAPHS

Each year school photographs are taken in Term 1 or 2.

Parents/caregivers receive information and order forms prior to photos being taken.

PROMOTING LITERACY DEVELOPMENT (PLD)

At Moranbah East State School students in Prep - Year 6 utilise Promoting Literacy Development (PLD) as our school wide phonics approach. PLD provides an Australian, evidence-based approach to Structured Synthetic Phonics (SSP) for primary school educators. Aligned with current research, PLD's SSP approach extends from the junior primary years through to upper primary years, thereby facilitating a whole school approach. PLD's method is derived from the disciplines of speech pathology, occupational therapy and education. As an Australian publisher and professional development provider, PLD advocates that literacy and learning outcomes are maximised for children when their Literacy, Oral Language and Movement & Motor skills are targeted.

RELIGIOUS INSTRUCTION

Students in Years 1 – 6 have the opportunity to participate in a non-denomination program for one semester of the year. This program is dependent upon religious instructors being available each year.

Permission for your child to attend lessons is sought upon enrolment.

SCHOOL CHAPLAIN

Queensland chaplains or 'chappies' provide emotional support to school communities. They are in the prevention and support business: helping students find a better way to deal with issues ranging from, family breakdown and loneliness, to friendships and mental health. They provide a listening ear and a caring presence for children and young people in crisis, and those who

just need a friend. They also provide support for staff and parents in school communities.

REPORTING TO PARENTS

In keeping with our philosophy that education is a partnership between teachers, parents and students, you are encouraged to maintain regular contact with your child's teacher. If you wish to discuss your child's progress at any time, please make an appointment.

Written reports are emailed twice a year – at the end of each semester. In Term 1 and Term 3 the school conducts Parent Interviews.

Department of Education provides:

Parents of students in Year 3 and 5 report on a National Assessment Program – Literacy and Numeracy (NAPLAN) test. The NAPLAN test is supervised by the class teacher, but is administered by The Queensland Studies Authority (QSA). A copy of the NAPLAN report is sent home to parents when received by the school.

SAFETY

A Parent's Guide to Kidsafe Roads is available online via the link below. Please take the time to always reinforce the need for safety around vehicles and roads with your children.

<https://kidsafe.com.au/car-road-safety/>

Road safety is everyone's responsibility. Your child's safety, both inside and outside of the school is of paramount importance to school personnel and your cooperation and support is sought in ensuring your child is taught to observe the safety rules. *Please assist us by regularly discussing safety rules with your child/children, particularly those relating to road and personal safety.*

Bicycles/Scooters

- Bike racks are provided at the lower William Street entrance and the Hannan Drive entrance.
- Bicycles and scooters should be locked in the racks.
- Safety helmets are compulsory and should not be left on bicycles.
- Children are NOT permitted to ride bicycles / scooters in and around the school grounds.

School Environment

A Health, Safety & Wellbeing Committee meets once a term to discuss issues of Safety/Health concerning the school.

Car Parks

- The Administration and teachers' car parks are **OUT OF BOUNDS** for all children.

Road

- Crossing Supervisors monitor and supervise our street crossings before and after school.

SCHOOL POLICIES

The following school policy documents are available on the school website at <https://moranbaeastss.eq.edu.au/>

- Student Code of Conduct
- Acceptable Use - Bring Your Own Device (BYOD) Agreement
- MESS Attendance Policy
- Mobile Phones and Personal Electronic Devices
- Smoking and Electronic Cigarettes on School Grounds.

SCHOOL REQUIREMENTS

Book lists are issued at the end of each year and are available on the school website. <https://moranbaeastss.eq.edu.au/>

If a student arrives mid-year please consult with the classroom teacher as to what requirements are needed.

STUDENT COUNCIL

Students in Year 4, 5 and 6 are elected to class representative positions to meet with students across the school. These meetings help to identify the needs and wants of our students. The Student Council organises activities for all students at Moranbah East State School.

SWIMMING

Students may undertake a swimming/water safety unit during the year as part of the school's Physical Education Program. Permission notes, medical information forms, payment invoices, and detailed information is sent home to all parents for completion and return to class teachers.

TELEPHONE

For general school business, our telephone is attended during normal office hours – Monday to Thursday 8:00am to 3:30pm and until 3:00pm on Fridays. (Requests to speak to teachers will only be granted outside teaching sessions or for urgent matters).

Please note students are requested to leave their mobile phones at the school office during the school day and collect at the end of the day. There is no public phone for students to use on the school grounds. Students are allowed access to the office phone if deemed necessary by the administration.

TRANSFERS

When children are transferring from the school please contact the Office, so that the necessary transfer form can be completed.

TUCKSHOP

Our Tuckshop is open Monday to Friday. Orders for first lunch and second lunch can be placed on the Munch Monitor System online as per details below. Alternatively, you can order by the bag system using separate clearly marked bags and placed in the box provided in the classroom before school. Menus are available from the tuckshop, Munch Monitor or the schools website.

You can set up a pre-paid account with Munch Monitor and order online or choose to allow your child a pre-paid card for counter purchases.

Note: Munch Monitor orders close at 8:00am

UNCLAIMED/LOST PROPERTY

Lost property is kept near the Office. Items not claimed will be given to a charitable institution at the end of each term.

UNIFORM SHOP

The uniform shop is managed by the school P & C Association and is run by volunteers through the tuckshop. If you are able to spare some time to volunteer your time please contact the P & C Association.

Opening Times: Every Monday & Wednesday 8:15am – 9:15am
Email: messuniforms@outlook.com

VALUABLES AT SCHOOL

We discourage children from bringing valuables or toys to school and we would ask for your support in this matter. No responsibility will be taken for items left in teachers' care or on the premises.

VOLUNTEERS

Individual teachers may invite parents to assist in the classroom. The only qualifications needed are willingness to help and an interest in your child's education. All volunteers other than Parent/Guardian Volunteers must have a 'Working with Children Blue Card'. **All volunteers must report to the office and sign-in and out using the passcode system on the iPad prior to volunteering.**

Every day counts Regular school attendance

Did you know? Research shows that in Queensland, higher student attendance at school is associated, on average, with higher student achievement.

Why is regular attendance at school important?

Regular school attendance will mean that your child gets a better chance at life. Your child will achieve better when they go to school all day, every school day:

- they learn better
- they make friends
- they are happier
- they have a brighter future.

Why must I send my child to school?

Under Queensland law, you must make sure your child of school age is enrolled and attends school all day, every school day unless they have a reasonable excuse. Illness, doing work experience, competing in a school sporting event or going on a school excursion are reasonable excuses for being absent from school.

Principals decide if the excuse given for your child's absence is reasonable.

Avoid keeping your child away from school for birthdays, shopping, visiting family and friends, if they sleep in, looking after other children, minor check ups or care such as hair cuts.

Routine medical or other health appointments should be made either before or after school or during the school holidays.

While it is a last resort, it is important to understand that you may be prosecuted if your child is not attending school regularly.

What should I do if our family is going on a holiday in school time?

You are encouraged not to schedule holidays during school time. If your family holiday is during school time, let the school know in advance and talk about what arrangements can be made for your child.

Depending on the circumstances the school may be able to provide tasks for your child to complete while they are absent or assist you to organise an exemption from schooling.

Do I need to let the school know if my child has been away from school?

Yes. You must let the school know the reason why your child is absent from school – either beforehand, on the day of the absence, or as soon as practicable after your child's return to school.

Having problems getting your child to school for some of these reasons?

- won't get out of bed in the morning
- won't go to bed at night
- can't find their uniform, books, school bag ...

**Queensland
Government**

- slow to eat breakfast
- haven't done their homework
- watching TV
- have a test or presentation to do, have an assignment to hand in
- it's their birthday.

A set routine can help

- have a set time to go to bed
- have a set time to get out of bed
- have uniform and school bag ready the night before
- have a set time for starting and finishing breakfast
- set a time for daily homework activities
- speak about school positively
- be firm, send your child to school every school day including their birthday and the last day of term!

What should I do if my child won't go to school?

You should contact the school as soon as possible for advice and support.

Fact sheet for parents

What is QParents?

QParents is a user-friendly portal accessible via a app or web browser, providing parents with secure online access to information about their child's schooling.

How will QParents assist me?

QParents enables you to access and manage information about your child online.

What information is available in QParents?

You can access information about:

- attendance details
- timetables and upcoming events
- report cards and assessments
- invoices and payment history.

What are the benefits of using QParents?

You will benefit from:

- greater transparency with online access to your child's information
- ease of viewing and updating your child's details including address and medical conditions
- anytime, anywhere access on a smart phone, tablet or computer
- access to the latest information in one centralised place
- improved administration efficiencies and reduced printing and mail outs.

Which schools use QParents?

QParents is an optional resource available to any Queensland state school. Depending on the needs of their community, schools may choose to use QParents.

Contact your child's school to find out if they are registered to use QParents.

How do I register for QParents?

Your child's school will send you a letter or email inviting you to register for QParents. You will then be able to register via the secure QParents website: qpayers.qld.edu.au using the unique invitation code contained in the letter or email.

You will require each child's unique EQ ID and you must verify your identity by providing 100 points of ID. If you cannot verify your identity online, you should contact your child's school for assistance.

The school will review your registration and approve your account. You will then be able to access the QParents app and delegate read-only access to another parent, carer or family member, known as a 'Delegated Viewer'.

For more information on registering and verifying your identity, see the QParents registration fact sheet.

What personal information is stored about me in QParents?

The following details are securely stored on your QParents account:

- your full name
- your email address
- your mobile phone number (if provided)
- basic details of any delegated viewers you have invited
- the types of documents you provided during registration (but not the actual documents)
- details of any payments you have made (but not credit card details).

Where is my personal information stored?

The Department of Education has contracted Microsoft to host the QParents app. Your personal information is stored in Microsoft's secure data centre in Australia. All personal information is protected using the latest encryption techniques, rendering this information unreadable to unauthorised people. For more information, see the Microsoft Azure Trust Centre.

Fact sheet for parents

Will you use my data for advertising purposes?

No. Queensland Government agencies are not permitted to disclose your information for marketing, advertising or other purposes.

Where has my child's information been sourced from?

Information about your child in QParents has been collected through school processes such as enrolment and/or recorded by teachers and school staff in the school's IT system called OneSchool.

How current is the information in QParents?

Information will be available in QParents as soon as it has been recorded or updated in OneSchool.

Any information updated by you in QParents (e.g. reasons for absences, your child's details or medical conditions) will be available immediately for the school to review and confirm the update in OneSchool.

What happens if I don't want my child's information in QParents?

Where there is more than one parent or guardian of a child, either party may opt to have a QParents account. In these circumstances, your child's information will be available to the other parent or guardian. If all parties do not want their child's information in QParents, you should contact your child's school.

Where can I find help using QParents?

If you need assistance using QParents, you can:

- check the help page at qparents.qld.edu.au/#/help
- call 13 QGOV (13 74 68)
- contact your child's school.
